

SCOPE AND CYCLE

XP3 is designed as a comprehensive student curriculum that helps students experience their faith in three areas: Wonder, Discovery, and Passion. Every series falls under one of these areas, but because these are big concepts, we have identified core insights within each to help explain the focus of the series.

DESIGN (W1)

What I see around me reveals a Creator I cannot see.

IDENTITY (W2)

I am created in the image of my perfect Heavenly Father who has an unending love for me.

CONNECTION (W3)

I live in pursuit of an infinite God who desires an eternal relationship with me.

FAITH (D1)

I believe in Jesus and continually trust Him even when life doesn't make sense.

TRANSFORMATION (D2)

God's Spirit is transforming my unique and imperfect life into the character of Jesus.

TRUTH (D3)

My response to God's Word shapes how I see God's Story of redemption at work, in me and around me.

RESTORATION (P1)

God designed me to participate with Him in restoring a broken world.

COMPASSION (P2)

My faith in Christ is revealed by my compassion and care for others.

COMMUNITY (P3)

I choose to live in the complexities of family and communities because God values them.

2011-2012 SCOPE & CYCLE

XP3

XP3 Students believes that there are recurring themes relevant to the lives of students—themes that have a seasonal rhythm and become relevant to a student during key times of the year that all fall under the wider umbrella of Wonder, Discovery and Passion. With this in mind, we have created a set of themes that we believe are pertinent to the life of a teenager. It is with the following threads in mind that we have created the Scope and Cycle—5 Faith Skills, Community, Influence, Resolutions, Family, Relationships, Identity, Restoration, Questions and Wonder.
